Terms and Conditions

IngentaConnect offers users the ability to obtain certain articles from various publishers. Particular articles are displayed in the manner in which they appear in the journals in which they are originally published and are available through IngentaConnect in conjunction with the entirety of the journals in which they were published. Such articles are made available to IngentaConnect's users under arrangements between Publishing Technology and the publishers of such journals, and also, in some instances, under arrangements between the users and such publishers.

The articles made available through IngentaConnect are protected by copyright and other intellectual property laws. To the best of Publishing Technology's knowledge, the publishers that use IngentaConnect to make documents available have secured all necessary rights to make those documents available to be copied by the users. Use of these documents by IngentaConnect's users may be restricted by the user's agreement with the publisher. In addition, any user's unauthorized copying, distribution, public display, public performance, and preparation of derivative works from such documents is prohibited by copyright law.

By using this service, the user represents and warrants that he or she will not use the service in any manner that would violate any third party's copyright, intellectual property, or other rights. Any violations or potential violations should promptly be reported to help@ingentaconnect.com

This service is provided "as is," with no warranties whatsoever. All express, implied, and statutory warranties, including, without limitation, the warranties of merchantability, fitness for a particular purpose, and non-infringement of proprietary rights are expressly disclaimed to the fullest extent permitted by law. Neither Publishing Technology nor its parent corporations, subsidiary corporations, successors, affiliates, or assigns (collectively, "Publishing Technology") shall be liable under any circumstances for the use or misuse of this service. Such limitation of liability shall apply to the fullest extent permitted by law to prevent the recovery of direct, indirect, incidental, consequential, special, exemplary, and punitive damages (even if Publishing Technology has been advised of the possibility of such damages).

Use of Cookies

IngentaConnect uses cookies in several ways. IngentaConnect uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies," which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website.

When you visit IngentaConnect, you may view advertisements posted on the site by Google or other companies. These advertising companies may collect information about you while you are visiting this website and other websites. They may use this data to show you advertisements on this website and elsewhere on the internet about products and services you might like. You may be able to opt out of such advertising. To find out more about Google, its DoubleClick DART cookie, and to opt out of interest-based advertising, click this link: "Your use of this website without opting out means that you understand and agree to data collection to provide you with interest-based advertising. Publishing Technology also uses this cookie to anonymously determine, what ads have been viewed, where they were located and to limit the number of times a user sees that ad."

Refund Policy

Content available via IngentaConnect is available for download only. The content will be available for viewing immediately after purchase, and can continue to be accessed for the duration of the download period indicated when purchasing the item.

Before you complete your purchase please carefully review whether the particular product under consideration will meet your needs. Additional information on the length of the document (Page Range) is clearly flagged.

If you experience any problems downloading content please contact help@ingentaconnect.com and we will assist you.

You may request the refund of a pay-per-view order you have submitted via the service under the following conditions:

1. There was a technical issue on the service which prevented successful delivery
2. You notify us that the article is no longer required and request cancellation within one day of the order being placed

When you send your refund request to us at help@ingentaconnect.com we will confirm to you via email. The refund will be applied to the same card used at the time of ordering within one working day of making the request.

Failure to make a refund request before being supplied with an item, WILL result in a charge being applied.
